

“The most inspiring thing I’ve ever done”

Sutton Trust US Programme

Founding Corporate Partner

We have helped more than 300 UK students get places and funding at top US colleges

The Sutton Trust US Programme allows British state school students to explore American higher education, through support, advice and a one week trip to visit US universities. It is free to take part in the programme - all costs are covered.

To be eligible, students must:

- Be in Year 12 (England and Wales), S5 (Scotland) or Year 13 (Northern Ireland)
- Attend a state school or college
- Have excellent GCSEs or S4 qualifications
- Be from a low- or middle-income family
- Be interested in US culture and higher education
- Not hold US citizenship

We particularly welcome applications from students who are in the first generation of their family to go to university

APPLICATIONS OPEN IN NOVEMBER. LEARN MORE AT [us.suttontrust.com](https://www.us.suttontrust.com) #SuttonTrustUSA #yellowbackpacks
